JNÖS	<i>Jahrbücher f. Nationalökonomie u. Statistik</i>
(R)	In Russian

- Sheynin, O.B. (1963), Adjustment of a trilateration figure by frame structure analogue. *Survey Rev.*, vol. 17, pp. 55 - 56.
- Sheynin, O.B. (1965), On the work of Adrain in the theory of errors. *IMI*, vol. 16, pp. 325 - 336. (R)
- Sheynin, O.B. (1966a), On the history of iterative methods of solving systems of linear algebraic equations. *Trudy 9<sup>th</sup> Nauchn. Konf. Aspirantov i Ml. Nauchn. Sotr. IIET*, sect. hist. phys. & math. sci., pp. 8 - 12. (R)
- Sheynin, O.B. (1966b), Origin of the theory of errors. *Nature*, vol. 211, pp. 1003 - 1004.
- Sheynin, O.B. (1968), On the early history of the law of large numbers. *Biometrika*, vol. 55, pp. 459 - 467. Reprinted in E.S. Plackett & Kendall (1970, pp. 231 - 239).
- Sheynin, O.B. (1969), On the work of Bayes in the theory of probability. *Trudy 12<sup>th</sup> Nauchn. Konf. Aspirantov i Ml. Nauchn. Sotr. IIET*, Sect. hist. math. & mech., pp. 40 - 57. (R)
- Sheynin, O.B. (1970a), On the history of the De Moivre - Laplace limit theorems. *Istoria i metodologia estestven. Nauk*, vol. 9, pp. 199 - 211. (R)
- Sheynin, O.B. (1970b), D. Bernoulli on the normal law. *Biometrika*, vol. 57, pp. 199 - 202. Reprinted in M.G. Kendall & Plackett (1977, pp. 101 - 104).
- Sheynin, O.B. (1970c), Combinatorial analysis and theory of probability. Coauthors, L.E. Maistrov, B.A. Rosenfeld. Chapter in *Istoria matematiki s drevneishikh vremen do nachala 19go stoletia* (History of math. from most ancient times to beginning of 19<sup>th</sup> century), vol. 2, 18<sup>th</sup> century). Editor, A.P. Youshkevitch. Moscow, 1970, pp. 81 - 97. (R)
- Sheynin, O.B. (1970d), Anderson, O.N. *Dict. Scient. Biogr.*, vol. 1, pp. 154 - 155.
- Sheynin, O.B. (1971a), Newton and the classical theory of probability. *AHES*, vol. 7, pp. 217 - 243.
- Sheynin, O.B. (1971b), Lambert's work in probability. *Ibidem*, pp. 244 - 256.
- Sheynin, O.B. (1971c), On the history of some statistical laws of distribution. *Biometrika*, vol. 58, pp. 234 - 236. Reprinted in M.G. Kendall & Plackett (1977, pp. 328 - 330).
- Sheynin, O.B. (1971d), Bortkiewicz, L. von. *Dict. Scient. Biogr.*, vol. 2, pp. 318 - 319.
- Sheynin, O.B. (1972a), On the mathematical treatment of observations by Euler. *AHES*, vol. 9, pp. 45 - 56.

- Sheynin, O.B. (1972b), D. Bernoulli's work on probability. *RETE. Strukturgeschichte der Naturwissenschaften*, Bd. 1, pp. 273 - 300. Reprinted in M.G. Kendall & Plackett (1977, pp. 105 - 132).
- Sheynin, O.B. (1972ñ), Theory of probability. Coauthor, L.E. Maistrov. Chapter in *Istoria matematiki s drevneishikh vremen do nachala 19go stoletia*. (History of math. from most ancient times to beginning of 19<sup>th</sup> century), vol. 3, 19<sup>th</sup> century). Editor, A.P. Youshkevitch. Moscow, 1972, pp. 126 - 152. (R)
- Sheynin, O.B. (1973a), Finite random sums. Historical essay. *AHES*, vol. 9, pp. 275 - 305.
- Sheynin, O.B. (1973b), Boscovich's work on probability. *Ibidem*, pp. 306 - 324.
- Sheynin, O.B. (1973c), Mathematical treatment of astronomical observations. Historical essay. *AHES*, vol. 11, pp. 97 - 126.
- Sheynin, O.B. (1973d), Krasovsky Th. [or F.] N. *Dict. Scient. Biogr.*, vol. 7, pp. 496 - 497.
- Sheynin, O.B. (1974), On the prehistory of the theory of probability. *AHES*, vol. 12, pp. 97 - 141.
- Sheynin, O.B. (1975a), Kepler as a statistician. *Bull. Intern. Stat. Inst.*, vol. 46, pp. 341 - 354.
- Sheynin, O.B. (1975b), On the appearance of Dirac's delta-function in Laplace's work. *IMI*, vol. 20, pp. 303 - 308. (R)
- Sheynin, O.B. (1976), Laplace's work on probability. *AHES*, vol. 16, pp. 137 - 187.
- Sheynin, O.B. (1977a), Laplace's theory of errors. *AHES*, vol. 17, pp. 1 - 61.
- Sheynin, O.B. (1977b), Early history of the theory of probability. *Ibidem*, pp. 201 - 259.
- Sheynin, O.B. (1977c), On Laplace's work on the theory of probability. *IMI*, vol. 22, pp. 212 - 224. Translation of a part of Sheynin (1976). (R)
- Sheynin, O.B. (1978à), Transl.: Theory of probability. Coauthor, B.V. Gnedenko. Chapter in *Mathematics of the 19th century* [vol. 1]. Editors, A.N. Kolmogorov, A.P. Youshkevitch. Basel, 1992 and 2001, pp. 211 - 288. (R)
- Sheynin, O.B. (1978b), The theory of probability before Chebyshev. *IMI*, vol. 23, pp. 284 - 306. (R)
- Sheynin, O.B. (1978c), Poisson's work in probability. *AHES*, vol. 18, pp. 245 - 300.
- Sheynin, O.B. (1979), Gauss and the theory of errors. *AHES*, vol. 20, pp. 21 - 72.
- Sheynin, O.B. (1980), On the history of the statistical method in biology. *AHES*, vol. 22, pp. 323 - 371.
- Sheynin, O.B. (1981), Poisson and statistics. In *Métivier et al* (1981, pp. 177 - 182).
- Sheynin, O.B. (1982), On the history of medical statistics. *AHES*, vol. 26, pp. 241 - 286.
- Sheynin, O.B. (1983), Corrections and short notes on my papers. *AHES*, vol. 28, pp. 171 - 195.

- Sheynin, O.B. (1984a), On the history of the statistical method in astronomy. *AHES*, vol. 29, pp. 151 - 199.
- Sheynin, O.B. (1984b), On the history of the statistical method in meteorology. *AHES*, vol. 31, pp. 53 - 93.
- Sheynin, O.B. (1985), On the history of the statistical method in physics. *AHES*, vol. 33, pp. 351 - 382.
- Sheynin, O.B. (1986a), Quetelet as a statistician. *AHES*, vol. 36, pp. 281 - 325.
- Sheynin, O.B. (1986b), J. Bernoulli and the beginnings of probability theory. In Bernoulli J. (1986, pp. 83 - 115). (R)
- Sheynin, O.B. (1988), Gauss and the chi-squared distribution. *Schriftenr. Geschichte Naturwiss., Techn., Med.*, Bd. 25, pp. 21 - 22.
- Sheynin, O.B. (1989a), Markov's work on probability. *AHES*, vol. 39, pp. 337 - 377; vol. 40, p. 387.
- Sheynin, O.B. (1989b), Liapunov's letters to Andreev. *IMI*, vol. 31, pp. 306 - 313. (R)
- Sheynin, O.B. (1990a), On the history of the statistical method in natural sciences. *IMI*, vol. 32 - 33, pp. 384 - 408. (R)  
Short version of Sheynin (1980; 1982; 1984a; 1984b; 1985).
- Sheynin, O.B. (1990b), Markov's review of a paper by Galitzin. *Ibidem*, pp. 451 - 455. (R)
- Sheynin, O.B. (1990c), Transl.: Chuprov: Life, work, correspondence. Gottingen, 1996.
- Sheynin, O.B. (1991a), Poincare's work in probability. *AHES*, vol. 42, pp. 137 - 172.
- Sheynin, O.B. (1991b), On the works of Buniakovsky in the theory of probability. *AHES*, vol. 43, pp. 199 - 223. Preliminary version: *Preprint No. 17*, Inst. Istorii Estestvoznania i Tekhniki. Moscow, 1988.  
Russian version: *IMI*, vol. 4(39), 1999, pp. 57 - 81.
- Sheynin, O.B. (1991c), On the notion of randomness from Aristotle to Poincaré. *Math., Inform. et Sciences Humaines*, No. 114, pp. 41 - 55.  
Russian version: *IMI*, vol. 1(36), No. 1, 1995, pp. 85 - 105.
- Sheynin, O.B. (1992), Al-Biruni and the mathematical treatment of observations. *Arabic Sciences and Phil.*, vol. 2, pp. 299 - 306.
- Sheynin, O.B. (1993a), Markov's letters in newspaper Den in 1914 - 1915. *IMI*, vol. 34, pp. 194 - 206. (R)
- Sheynin, O.B. (1993b), On the history of the principle of least squares. *AHES*, vol. 46, pp. 39 - 54.
- Sheynin, O.B. (1993c), Treatment of observations in early astronomy. *Ibidem*, pp. 153 - 192.
- Sheynin, O.B. (1993d), Chuprov, Slutsky and Chetverikov: some comments. *Hist. Math.*, vol. 20, pp. 247 - 254.
- Sheynin, O.B. (1994a), Gauss and geodetic observations. *AHES*, vol. 46, pp. 253 - 283.
- Sheynin, O.B. (1994b), Chebyshev's lectures on the theory of probability. *Ibidem*, pp. 321 - 340.
- Sheynin, O.B. (1994c), Bertrand's work on probability. *AHES*, vol. 48, pp. 155 - 199.
- Sheynin, O.B. (1994d), Ivory's treatment of pendulum observations. *Hist. Math.*, vol. 21, pp. 174 - 184.

- Sheynin, O.B. (1994e), Theory of errors.  
In *Companion Enc. Hist. & Phil. of Math. Sciences*, vol. 2, pp. 1315 - 1324. London, 1994.  
Editor I. Grattan-Guinness.
- Sheynin, O.B. (1994f), Correspondence between Nekrasov and Andreev.  
*IMI*, vol. 35, pp. 124 - 147.  
Coauthor, M.V. Chirikov. (R)
- Sheynin, O.B. (1995a), Nekrasov's letters to A.I. Chuprov.  
*IMI*, vol. 1(36), 1, pp. 159 - 167. (R)
- Sheynin, O.B. (1995b), Helmert's work in the theory of errors.  
*AHES*, vol. 49, pp. 73 - 104.
- Sheynin, O.B. (1995c), Density curves in the theory of errors.  
*Ibidem*, pp. 163 - 196.
- Sheynin, O.B. (1995d), Introduction of statistical reasoning into astronomy.  
In *General History of Astronomy*, vol. 2B. Cambridge, 1995, pp. 191 - 197.  
Editors R. Taton, C. Wilson.
- Sheynin, O.B. (1996a), History of the theory of errors.  
*Egelsbach*.
- Sheynin, O.B. (1996b), A forerunner of the t - distribution.  
*Biometrika*, vol. 83, pp. 891 - 898.  
Coauthor, J. Pfanzagl.
- Sheynin, O.B. (1996c), Selection and treatment of observations by Mendeleev.  
*Hist. Math.*, vol. 23, pp. 54 - 67.
- Sheynin, O.B. (1997a), Luroth.  
Coauthor J. Pfanzagl.  
In *Johnson & Kotz* (1997, pp. 203 - 204).
- Sheynin, O.B. (1997b), Achenwall.  
*Ibidem*, pp. 5 -6.
- Sheynin, O.B. (1997c), Sussmilch.  
Coauthor, J. Pfanzagl.  
*Ibidem*, pp. 73 - 75.
- Sheynin, O.B. (1997c), Markov and insurance of life.  
*IMI*, vol. 2(37), pp. 22 - 33. (R)
- Sheynin, O.B. (1998a), Theory of probability; definition and relation to statistics.  
*AHES*, vol. 52, pp. 99 - 108.
- Sheynin, O.B. (1998b), Statistical thinking in the Bible and the Talmud.  
*Annals Sci.*, vol. 55, pp. 185 - 198.
- Sheynin, O.B. (1998c), Statistics in the Soviet epoch.  
*JNÖS*, Bd. 217, pp. 529 - 549.  
Russian version: *IMI*, vol. 6 (41), 2001, pp. 179 - 198.
- Sheynin, O.B. (1999a), Statistics, definition of.  
In *Kotz et al* (1997 - 1999, vol. 3, pp. 704 - 711).
- Sheynin, O.B. (1999b), Discovery of the principle of least squares.  
*Hist. Scient.*, vol. 8, pp. 249 - 264.
- Sheynin, O.B. (1999ñ), Slutsky: fifty years after his death.  
*IMI*, vol. 3(38), pp. 128 - 137. (R)
- Sheynin, O.B. (1999d), Gauss and the method of least squares.  
*JNÖS*, Bd. 219, pp. 458 - 467.
- Sheynin, O.B. (1999â), Russian papers on the history of probability and statistics.  
*Egelsbach*. Collected translations of author's Russian papers.

- Sheynin, O.B. (2000a), History of the theory of errors. *IMI*, vol. 5 (40), pp. 310 - 332. (R)
- Sheynin, O.B. (2000b), Bessel: some remarks on his work. *Hist. Scient.*, vol. 10, pp. 77 - 83.
- Sheynin, O.B. (2001a), Pirogov as a statistician. *Ibidem*, pp. 213 - 225.
- Sheynin, O.B. (2001b), Gauss. In *Heyde & Seneta* (2001, pp. 119 - 122).
- Sheynin, O.B. (2001c), Mendel. *Ibidem*, pp. 190 - 193.
- Sheynin, O.B. (2001d), Gauss, Bessel and the adjustment of triangulation. *Hist. Scient.*, vol. 11, pp. 168 - 175.
- Sheynin, O.B. (2001e), Social statistics and probability theory in the 19<sup>th</sup> century. *Ibidem*, pp. 86 - 111.  
Shorter version: *JNÖS*, Bd. 223, 2003, pp. 91 - 112.  
Russian version: *Vopr. statistiki*, 19, 2002, pp. 64 - 69.
- Sheynin, O.B. (2001f), Anderson's forgotten obituary of Bortkiewicz. *JNÖS*, Bd. 221, pp. 226 - 236.
- Sheynin, O.B. (2001g), Helen Chuprov's letters to K. Pearson. *Vestnik Stat.*, No. 3, pp. 62 - 64. (R)
- Sheynin, O.B. (2002a), On Cournot's heritage in the theory of probability. *IMI*, vol. 7 (42), pp. 301 - 316. (R)
- Sheynin, O.B. (2002b), Newcomb as a statistician. *Hist. Scient.*, vol. 12, pp. 142 - 167.
- Sheynin, O.B. (2002c), Sampling without replacement: history and applications. *NTM, Intern. Z. f. Geschichte u. Ethik Naturwiss., Technik, Med.*, Bd. 10, pp. 181 - 187.
- Sheynin, O.B. (2002d), Lo sviluppo della teoria della probabilità e della statistica. *Storia della Scienza*, vol. 6 [XVIIIc.], pp. 529 - 541.
- Sheynin, O.B. (2003a), Gumbel, Einstein and Russia. English - Russian edition. *Moscow*.
- Sheynin, O.B. (2003b), Nekrasov's work on probability: the background. *AHES*, vol. 57, pp. 337 - 353.
- Sheynin, O.B. (2003c), On the history of Bayes's theorem. *Math. Scientist*, vol. 28, pp. 37 - 42.
- Sheynin, O.B. (2003d), Geometric probability and the Bertrand paradox. *Hist. Scient.*, vol. 13, pp. 42 - 53.
- Sheynin, O.B. (2003e), Fechner as a statistician. *Brit. J. Math., Stat. Psychology*, vol. 57, pp. 53-72.
- (2003f), Lies, damned lies and statistics. *NTM*, Bd. 11, pp. 191 - 193.
- (2003g) Mises on mathematics in Nazi Germany. *Hist. Scient.*, vol. 13, pp. 134 - 146.
- Sheynin, O.B. (2004), On the relations between Chebyshev and Markov. In *DHS*, 2799, 2004, pp. 15-22.
- Sheynin, O.B. (2004), *History of the Theory of Probability up to the Beginning of the 20th Century*. Berlin. NG Verlag.
- Sheynin, O.B. (2005), Markov and life insurance. *Math. Scientist*, vol. 30, pp. 5- 12.
- Sheynin, O.B. (2006), Markov's work on the treatment of observations. *Hist. Scient.*, vol. 16, pp. 80 - 95.
- (2005), Early discovery of sunspots. *Journal*, vol. 99, No. 3, p. 83.

- (2006), Review of T. M. Porter, Karl Pearson. Princeton, 2004. *Hist. Scient.*, vol. 16, pp. 206 – 209. Russian version: *Voprosy Istorii Estestvoznania i Tekhniki*, 2007, to appear.
- (2006), Review of English translation of Jakob Bernoulli's *Ars Conjectandi* by edith D. Sylla. Baltimore, 2006. *Ibidem*, pp. 212 – 214. Russian version: *Ibidem*, 2007, to appear.
- (2006), On the relations between Chebyshev and Markov. *Istoriko-Matematicheskie Issledovania*, vol. 11 (46), pp. 148 – 156. (R)
- (2006), Markov's work on the treatment of observation. *Historia Scientiarum*, vol. 16, pp. 80-95.
- (2007), Markov: Integrity is just as important as scientific achievements. *Intern. Z. f. Geschichte u. Ethik d. Naturwissenschaften (NTM)*, vol. 15, pp. 289 – 294.
- (2007), Euler's work in probability and statistics. In memorial volume. Kendrick press. In: *Euler Reconsidered. Tercentenary Essays*. Heber City, UT, pp. 281 – 316.
- (2007) The true value of a measured constant and the theory of errors. *Hist. Scient.*, vol. 17, pp. 38 – 48.
- (2007), Romanovsky's correspondence with K. Pearson and R. A. Fisher. *Archives Internationales d'histoire des sciences*, vol. 58, No. 160 – 161, pp. 365 – 384.
- (2007) Karl Pearson. 150 years after his birth. In *Rossijskaia i Evropeiskaia Ekonomicheskaja Misl: Opyt Sankt-Peterburga*. 2006. Petersburg, pp. 97 – 119.
- (2007), Correspondence of E. E. Slutsky and V. I. Bortkevich. *Finansy i Biznes*, No. 4, pp. 139 – 154. Coauthors: C. Wittich, G. Rauscher.
- (2008) Bortkiewicz' alleged discovery: the law of small numbers. *Historia Scientiarum*, vol. 18, pp. 36 – 48.
- (2008), Romanovsky's correspondence with Karl Pearson and R.A. Fisher. *Archives Intern. d'hist.des sciences*, t.58, NNo 160-161, pp. 365-384.
- (2009), Russian version of paper on Markov (2006): *Istoriko-Matematicheskie Issledovania*, vol. 13(48), pp. 110-128.
- (2010), Karl Pearson a century and half after his birth. *Mathematical Scientist*, vol. 35, pp. 1-9.
- (2010), The inverse law of large numbers. *Mathematical scientist*, vol. 35, p. 132 – 133
- (2011), Statistics, history of. *Intern. Enc. of Statistical Science*. Springer, vol. 3, pp. 1493 - 1504. Assisted by M. Lovric.
